Civil War In Texas And New Mexico Territory - *Cottrell, Steve.* (1998)

Fort Blakeley #1864 Library

Updated: April 19, 2024 09:22 PM

There Are Many Stories From The Civil War; Some Of The Ones That Place In The West Have Been Overlooked. Texas And New Mexico Territory (present-day New Mexico And Arizona) Were The Scene Of Fierce Fights And Courageous Actions On Both Sides. This Book Presents Stories Of Those Skirmishes, Strategies, And Soldiers. Even Though Some Texans--such As The Famous Sam Houston--opposed Secession, Texas Joined The Confederacy On March 2, 1861, And Put Tens Of Thousands Of Men Into Battle To Support The South. Even As They Fought Off Federal Forces, The Western Soldiers Had To Defend Their Homes From Mexican Bandits And Native American Attacks. Steve Cottrell ; Illustrated By Andy Thomas. Includes Bibliographical References (p. 139-140) And Index.

Ghosts Of The Confederacy: Defeat, The Lost Cause, And The Emergence Of The New South, 1865 To 1913 - Foster, Gaines M. (1987)

Part One: Coming To Terms With Defeat, 1865 To 1885 -- Part Two: Celebrating The Confederacy, 1883 To 1907 -- Part Three: The Waning Power Of The Confederate Tradition, 1898 To 1913. Gaines M. Foster. Includes Index. Bibliography: P. 276-298.

Lincoln Talks - Emanuel Hertz (1987)

We Knew William Tecumseh Sherman: An Eyewitness Biography - Richard Wheeler (1977)

George B. McClellan: The Young Napoleon - Sears, Stephen W. (1988)

By Age 35, General George B. McClellan (1826-1885), Designated The Young Napoleon, Was The Commander Of All The Northern Armies. He Forged The Army Of The Potomac Into A Formidable Battlefield Foe, And Fought The Longest And Largest Campaign Of The Time As Well As The Single Bloodiest Battle In The Nation's History. Yet, He Also Wasted Two Supreme Opportunities To Bring The Civil War To A Decisive Conclusion. In 1864 He Challenged Abraham Lincoln As The Democratic Candidate For The Presidency. Neither An Indictment Nor An Apologia, This Biography Draws Entirely On Primary Sources To Create A Splendidly Incisive Portrait Of This Charismatic, Controversial General Who, For The First Eighteen Months Of The Conflict, Held The Fate Of The Union In His Unsteady Hands. - Publisher. The Making Of A Soldier -- On Peacetime Service -- Life In A Civilian World -- The Call To War -- Building An Army -- General Of All The Armies -- The Grand Campaign -- On The Peninsula -- The Battle For Richmond -- Impasse At Harrison's Landing -- General Without An Army -- Opportunity Of A Lifetime -- The Battle Of Antietam -- The Last Command -- The Political Arena -- Campaign For The Presidency -- The Old Soldier. Stephen W. Sears. Includes Index. Bibliography: P. [411]-468.

General Stephen D. Lee - Herman Hattaway (1988)

Civil War Almanac - Commager (1986)

Gods And Generals (civil War) - Jeff Shaara (1996)

In this brilliantly written epic novel, Jeff Shaara traces the lives, passions, and careers of the great military leaders from the first gathering clouds of the Civil War. Here is Thomas "Stonewall" Jackson, a hopelessly by-the-book military instructor and devout Christian who becomes the greatest commander of the Civil War; Winfield Scott Hancock, a captain of quartermasters who quickly establishes himself as one of the

finest leaders of the Union army; Joshua Chamberlain, who gives up his promising academic career and goes on to become one of the most heroic soldiers in American history; and Robert E. Lee, never believing until too late that a civil war would ever truly come to pass. Profound in its insights into the minds and hearts of those who fought in the war, *Gods and Generals* creates a vivid portrait of the soldiers, the battlefields, and the tumultuous times that forever shaped the nation. Publishers Weekly Shaara, whose father, Michael Shaara, won the Pulitzer in 1975 for his Civil War saga *The Killer Angels*, penned this prequel, which spent 14 weeks on PW's bestseller list. (May)

They Called Him Stonewall: A Life Of Lt. General Tj Jackson, Csa - *Burke Davis* (2000)

Where The Mockingbird Sang: A Novel Of The Civil War - David Wilson Atwood (2010)

All Choices Have Consequences; Some Very Little, While Others Reach Through The Years And Affect The Lives Of Subsequent Generations. Where The Mockingbird Sang, Set In The Arkansas Ozarks Before, During, And After The Civil War Is An Intriguing Tale Of Lust, War, Capture And Imprisonment, Escape, Betrayal, Family, And The Ability Of Good And Love To Triumph Over The Horrors Of War. Evans Atwood Is A Warrior In The Confederate Army Who Serves With Honor. Through Him The Story Of So Many Who Gave Their Hearts And Sacrificed So Much Dear To Them To Be Able To Provide And Protect Freedom And Their Right To Self Determination Comes To Life. These Men And Women Are Forever Changed As Are Those Who Are Left Behind To Suffer Other Horrors And Evil That War Brings. Evans Teaches School At The Primitive Baptist Church In Shiloh, Arkansas Where He Meets Lucy Jane Roberts, A Beautiful Transplant From Eastern Tennessee. With Her Beauty And Her Designs On A Better Life, She Sweeps Him Along A Course That Will Change His Life And The Lives Of All Around Him. Due To Lucy's Seduction Of Evans, And The Resulting Pregnancy, He Chooses Her Over His Lifelong Friend, Neighbor, And Love, Susan Wilson. All Is Well With The Young Couple Until The Challenges Of War Come Into Their Lives. Evans And His Wandering, Older, Back Woods Friend, Nathaniel James Buchanan Or Buck, Are Certain, As Are Soldiers On Both Sides Of The Conflict That The War Will Only Last A Few Months. Evans Leaves Lucy Jane With Eighteen Month Old Martha Jane And Six Week Old James Calvin When He And Buck Enlist In

Law's Alabama Brigade In The War Between The Union And The Confederacy - *Laine, J. Gary.* (1996)
J. Gary Laine And Morris M. Penny Have Produced A Compelling Story Of Five Civil War Regiments From Alabama Known As Law's Brigade. This Fighting Unit Displayed An Aggressive Fighting Spirit, Charging The Enemy In Seven Of Ten Major Battles. The Authors Have Uncovered New Material, Which Is Reflected In Gripping Personal Stories Gleaned From Diaries, Letters, Newspapers, And Eyewitness Accounts. The Five Regiments Were Formed By Men From 25 Of Alabama's 67 Counties. The Reader Will Vicariously Accompany The Alabamians As They Leave Home, Believing That One Southern Soldier Was Worth Ten Yankees; Ride The Cars To Virginia; And Experience Their Baptism In Battle. In 1863, The Dashing Young Brigadier General Evander Mciver Law, A Graduate Of The Citadel, Became Their Brigade Commander. This Story Of His Brigade Follows The Alabamians Through Their Heartbreaking Repulse At Gettysburg, The Exhilaration Of Rushing Through The Federal Line At Chickamauga And Its Finest Hour Fighting Alone Against Four Federal Divisions At The Wilderness. After 48 Battles And Skirmishes, The Alabamians Surrendered At Appomattox When Attrition Had Reduced Their Numbers From 6,260 Men To 973. The Authors Document The Political Conflicts Within The Brigade, Particularly The Devastating Feud Between Law And Longstreet Which Eventually Drew Lee And Davis Into The Affair. Human Interest Stories, Including A Duel Fought Behind The Lines At Suffolk, Virginia, Woven Into The Account Tell Of The Camp Life Experienced By The Men And Their Views Of The War. By J. Gary Laine & Morris Penny. Includes Bibliographical References And Index.

The Civil War: An Illustrated History - *Geoffrey C. Ward* (1990)

The award-winning PBS series spawned this book, which is filled with evocative photographs and essays from some of the nation's leading Civil War historians. Publishers Weekly Companion volume to a forthcoming PBS series, this is an extraordinary collection of photos, engravings and paintings, many published for the first time, conveying military and political events of the Civil War, accompanied by a pungent text that avoids sentimentality in depicting "the most horrible, necessary, intimate, acrimonious, mean-spirited, and heroic" war in our history. Typical illustrations include a photo of a pile of amputated feet, four pages of clinical portraits of maimed soldiers, photos of nurses at work in hospitals and rare studio portraits of slaves among some 500 illustrations which, in combination with the text, present a memorable record of the War Between the States. The book, assembled by Ward, author of *A First Class Temperament: The Emergence of Franklin Roosevelt*, and historians Ken and Ric Burns, also includes original essays by distinguished historians James M. McPherson and C. Vann Woodward among others, and an edifying interview with historian Shelby Foote. BOMC main selection. (Sept.)

Vicksburg 1863 - *Winston Groom* (2009)

in This Thrilling Narrative History Of The Civil War's Most Strategically Important Campaign, Winston Groom Describes The Bloody Two-year Grind That Started When Ulysses S. Grant Began Taking A Series Of Confederate Strongholds In 1861, Climaxing With The Siege Of Vicksburg Two Years Later. For Grant And The Union It Was A Crucial Success That Captured The Mississippi River, Divided The South In Half, And Set The Stage For Eventual Victory. **vicksburg, 1863** Brings The Battles And The Protagonists Of This Struggle To Life; We See Grant In All His Grim Determination, Sherman With His Feistiness And Talent For War, And Confederate Leaders From Jefferson Davis To Joe Johnston To John Pemberton. It Is An Epic Account By A Masterful Writer And Historian. the Washington Post - Ernest B. Furgurson groom's Book Is Full Of;authentically Rendered Excitement. Until Now, His Best-known Work Has Been The Novel That Became The Blockbuster Movie *forrest Gump*. But With *vicksburg 1863* He Has Fully Arrived As A Narrative Historian, Who Proves Again That Facts Skillfully Woven Can Be More Moving Than The Products Of The Busiest Imagination. Rarely Has The Story Of Such A Lengthy And Complicated Campaign Been Told With Such Clarity And Grace.

The Civil War: A Narrative - *Foote, Shelby*. (1958)

Foote's Comprehensive History Of The Civil War Includes Three Compelling Volumes: Fort Sumter To Perryville, Fredericksburg To Meridian, And Red River To Appomattox. Here, For A Certainty, Is One Of The Great Historical Narratives Of Our Century, A Unique And Brilliant Achievement, One That Must Be Firmly Placed In The Ranks Of The Masters. Anyone Who Wants To Relive The Civil War Will Go Through This Volume With Pleasure. Years From Now, Foote's Monumental Narrative Most Likely Will Continue To Be Read And Remembered As A Classic Of Its Kind. 1. Fort Sumter To Perryville.--2. Fredericksburg To Meridian.--[3] Red River To Appomattox. 1st Ed. 1974. Bibliography: V. 3, P. [1063]-1065.

The Lost Cause (the Standard Southern History Of The War Of The Confederates) - *E. A. Pollard* (1994)

Two Great Rebel Armies: An Essay In Confederate Military History (civil War America) - *Richard M. McMurry* (1996)

richard McMurry Compares The Two Largest Confederate Armies, Assessing Why Lee's Army Of Northern Virginia Was More Successful Than The Army Of Tennessee. His Bold Conclusion Is That Lee's Army Was A Better Army--not Just One With A Better High Command. library Journal the Confederacy's Two Major Combat Units Were The Formidable Army Of Northern Virginia And The Lesser-known Army Of Tennessee. Lee's Army Was Justly Famous; The Other Lost Nearly Every Battle It Ever Fought. McMurry Studies The Military, Political, Geographical, And Logistical Factors And Decides That The Army Of Northern Virginia Was Simply A Better Fighting Force, Even Without Lee's Tactical Genius. This Conclusion Will Be No Surprise To Civil War Students But His Book Does A Careful Job Of Confirming A Widespread Historical View. Recommended For Academic And Large Public Collections. History Book Club Selection.-- Raymond L. Puffer, U.S. Air Force History Prog., Los Angeles

The Lees Of Virginia: Seven Generations Of An American Family - *Nagel, Paul C.* (1990)

Whether Opposing Nathaniel Bacon And His Rebels In 1676, Or Condemning English Colonial Policy In 1776, Or Turning Back The Union Army At The Seven Days' Battles Of 1862, The Descendants Of Richard And Anne Lee Have Occupied A Preeminent Place In American History. They Were Among The First Families Of Virginia. Two Were Signers Of The Declaration Of Independence And Several Others Distinguished Them- Selves During The Revolutionary War. And One, Robert E. Lee, Remains Widely Admired For His Loft Character And Military Success. In 'the Lees Of Virginia,' Paul Nagel Chronicles Seven Generations Of Lees, From The Family Founder Richard To General Robert E. Lee, Covering Over Two Hundred Years Of American History--front Flyleaf Of Paper Cover (attached To Front Lining Papers Of Book). Prologue : At Mrs. Shippen's -- The Founders : 1640-1670 -- The Scholar : 1664-1715 -- The Partners : 1700-1750 -- The Squire And The Widow : 1750-1795 -- Dear Brother... : 1750-1774 -- Politics In Virginia : 1758-1774 -- Ambition In London : 1768-1774 -- A Test Of Courage : 1775-1779 -- Romance In Philadelphia : 1760-1788 -- The World Seems Crazy : 1780-1797 -- Last Of The Stratford Lees : 1786-1817 -- From Leesville To ... : 1754-1794 -- ...calamity : 1794-1827 -- Refuge In Alexandria : 1794-1858 -- Farewell To Stratford : 1787-1829 -- Hiding In Paris : 1829-1840 -- Longing For Arlington : 1829-1846 -- My Country : 1846-1851 -- The General : 1861-1865 -- Final Valor : 1865-1870 -- Epilogue : At The Chapel. Yankee Quaker, Confederate General;; The Curious Career Of Bushrod Rust Johnson - *Charles M Cummings* (1971)

Are There Any Other Biographies Born Loser? Most Life Stories Deal With Figures Who Triumphed, Even In Defeat. This One Is Of A Non-hero, Poor Material From Myth And Legend. Gen. Johnson Is Average, Ambitious, Harassed, Confused, And Ill-stared, And He Does Foolish Things For Which He Suffers. He Enjoys A Few Glorious Moments. Generally He Tries To Do His Best. But He Is Ignored And Passed Over; His Success Is Scant. He Is Akin To Most Of Mankind. Johnson Fails, Ultimately, In Everything He Attempts: In His Military Career In Both The U.s. And The Confederate Army, In His School Operations, And Even In His Marriage. Born In Ohio, Bushrod Johnson Affronted His Quaker Heritage By Entering West Point In 1836, From Which He Graduated With Two Union Immortals Of The Civil War, William T. Sherman And George Thomas. During The Mexican War He Was Forced To Resign As First Lieut., Third Us Infantry Regiment In 1847.^ He Had Written To A Superior About Profits That Could Be Made In The Black-market Of Vera Cruz. Two Modern Successful Schools Trace Their Descent From The Military Academy In Kentucky And Tennessee That Johnson Next Operated, But The Guns At Fort Sumter Closed His Classes In 1861. To Return To The Union Army Would Revise The Old Scandal, So He Joined The Confederacy's Forces At The Same Time That His Own Abolitionist Kinfolk Were Helping The Underground Railroad In Indiana. Johnson's Troops Did Most Of The Fighting At Fort Donelson; He Slipped Away From His Captors After The Surrender To Grant. Then He Was Wounded At Shiloh. His Brigade Spearheaded The Assault On The Union Center At Perryville. First Perceived The Gap In Rosecrans Lines At Chickamauga, He Led The Smashing Attack That Set Off The Disintegration Of The Union Right Wing, Which Was Saved From Complete Route Only By The Stand Of His Classmate George Thomas On Snodgrass Hill. Johnson Was Promoted To Maj. Gen.^ After Stalwart Service At Drewry's Bluff And Commanded The Troops Blown Up By The Federal Mine At Petersburg, Where He Made A Poor Showing Before Lee. At Sayler's Creek Johnson, Pickett, And Richard Heron Anderson Joined The Panicky Flight Of Half Of Lee's Army From Sheridan's Cavalry And The Union Vi Corps. For This, Lee Took Away Their Commands And Ordered Them Out Of His Ranks Just Before He Surrendered At Appomattox. But The Tennesseans He Led In Battle Never Forgot Bushrod Rust Johnson. 50 Years After The War His Veterans Regretted That Justice To This True And Fine Soldier Had Been Very Tardy.--publisher. [by] Charles M. Cummings. Bibliography: P. 385-394.

(even In A Three-plus-hour Film, There Is Much More To Be Told About The Historical Characters.) The Authors/editors Have Provided Us With A Closer Look At These Brave Men And Women As A Companion Piece To The Movie. While The Contributors Of This Inspiring Book Have Expanded Brilliantly On Some Of The Characters Appearing In The Film, Others In Faith In God And Generals Are Faces Without Names, And Now They Too Will Come Alive On The Pages Of This Book. Some Of These Gripping Tales Depict The Strength, The Angst, And The Faith Of The Women Left Behind Who Loved These Brave Men. Foreword -- Prefaces -- Acknowledgments -- Parting Sea: Revolutionary Faith In North And South -- God-fearing Armies: Fighting For The Right -- He Descended Into Hell Holding Fast To Hope -- Judge Not That We Be Not Judged Abraham Lincoln -- As Safe In Battle As Bed Stonewall Jackson -- Nothing But A Poor Sinner Robert E. Lee -- Behind Every Good Man: Women In The War -- Brightest And The Best: Pendletons -- Supporting Cast -- Faith, Hope, And Love: Letters Between Stonewall And Mary Jackson. Compiled By Ted Baehr And Susan Wales ; Foreword By Ron Maxwell. Includes Bibliographical References (p. 182-184).

Generals In Blue: Lives Of The Union Commanders - Ezra J. Warner Jr. (1964)

more Than Forty Years After Its Original Publication, Ezra J. Warner's Generals In Blue Is Now Available In Paperback For The First Time. Warner's Classic Reference Work Includes Intriguing Biographical Sketches And A Rare Collection Of Photographs Of All 583 Men Who Attained The Rank Of General In The Union Army. Here Are The West Point Graduates And The Political Appointees; The Gifted, The Mediocre, And The Inexcusably Bad; Those Of Impeccable Virtue And Those Who Abused Their Position; The Northern-born, The Foreign-born, And The Southerners Who Remained Loyal To The Union. Warner's Valuable Introduction Discusses The Criteria For Appointment And Compares The Civilian Careers Of Both Union And Confederate Generals, Revealing Striking Differences In The Two Groups. Generals In Blue Is That Rare Book An Essential Volume For Scholars, A Prized Item For Buffs, And A Biographical Dictionary That The Casual Reader Will Find Absorbing.

about The Author:

ezra J. Warner (1910 1974) Was Also The Author Of Generals In Gray. A Native Of Lake Forest, Illinois, He Lived In La Jolla, California, And Was Well Known For His Work In Civil War Biography. His Great-uncle Was General James Meech Warner Of The Union Army.

Three Months In The Southern States: April-june, 1863 - Fremantle, Arthur James Lyon , 1835-1901 (1991)

From Shiloh To San Juan: The Life Of Fightin' Joe Wheeler (southern Biography) - John P. Dyer (1992)

More generals in gray - Allardice, Bruce S. (1995)

Presents A Biographical Sketch, Photograph, And Short Bibliography Of 137 Confederate Generals Who Attained Their Rank Through A Route Other Than Presidential Appointment And Have Therefore Been Largely Overlooked In Historical Accounts Of The Civil War. This Book Brings To Light A Class Of Officers Never Before Covered In Any Other Book: The Confederacy's Other Generals. They Are The Men Who Attained Their Rank Outside The Usual Avenue Of Appointment By President Jefferson Davis -- And Who Have Been Virtually Lost To History As A Consequence... [the Titles Of 137 Confederate Generals Are Redeemed From Obscurity], Men Whose Appointments Went The Nonpresidential Route But Whom, The Evidence Shows, Contemporaries Considered To Be Generals. For Each Of The 137... A Substantial Biographical Sketch And A Short Bibliography Is Included. In About Half The Cases, [the Author] Has Traced The Officer's Descendants And Obtained A Wealth Of New Information And Never-before-seen-photographs. Bruce S. Allardice. Includes Bibliographical References (p. [259]-301).

The Sword Of Lincoln: The Army Of The Potomac - *Wert, Jeffry D.* (2005)

An Authoritative History Of The Army Of The Potomac's Contributions To The Civil War Draws On Previously Unpublished Sources To Document Such Events As Their Defeat At Bull Run, Their Victory At Gettysburg, And The Leadership Changes That Directly Influenced Their Effectiveness. By The Author Of Gettysburg: Day Three. The Sword Of Lincoln Is The First Authoritative Single-volume History Of The Army Of The Potomac In Many Years. From Bull Run To Gettysburg To Appomattox, The Army Of The Potomac Repeatedly Fought -- And Eventually Defeated -- Robert E. Lee And His Army Of Northern Virginia. Jeffry D. Wert, One Of Our Finest Civil War Historians, Brings To Life The Battles, The Generals, And The Common Soldiers Who Fought For The Union And Ultimately Prevailed. The Obligation Throughout The Civil War To Defend The Capital, Washington, D.c., Infused A Defensive Mentality In The Soldiers Of The Army Of The Potomac. They Began Ignominiously With Defeat At Bull Run. Suffering Under A Succession Of Flawed Commanders -- McClellan, Burnside, And Hooker -- They Endured A String Of Losses Until At Last They Won A Decisive Battle At Gettysburg Under A Brand-new Commander, General George Meade. Within A Year, The Army Of The Potomac Would Come Under The Overall Leadership Of The Union's New General-in-chief, Ulysses S. Grant. Under Grant, The Army Marched Through The Virginia Countryside, Stalking Lee And Finally Trapping Him And The Remnants Of His Army At Appomattox. Wert Takes Us Into The Heart Of The Action With The Ordinary Soldiers Of The Irish Brigade, The Iron Brigade, The Excelsior Brigade, And Other Units, Contrasting Their Experiences With Those Of Their Confederate Adversaries. He Draws On Letters And Diaries, Some Of Them Previously Unpublished, To Show Us What Army Life Was Like. Throughout His History, Wert Shows How Lincoln Carefully Oversaw The Operations Of The Army Of The Potomac, Learning As The War Progressed, Until He Found In Grant The Commander He'd Long Sought. With A Swiftly Moving Narrative Style And Perceptive Analysis, The Sword Of Lincoln Is Destined To Become The Modern Account Of The Army That Was So Central To The History Of The Civil War. Things Look Very Much Like War -- Bloody Sabbath At Bull Run -- An Army Born -- To The Peninsula -- Along The Chickahominy -- If We Were Defeated, The Army And The Country Would Be Lost -- McClellan Has The Army With Him -- Behold, A Pale Horse -- The Army's Saddest Hour -- Winter Of Transition -- God Almighty Could Not Prevent Me From Winning A Victory -- Big Fight Some Wears Ahead -- An Army Of Lions -- Virginia Interlude -- This War Is Horrid -- A Sit Down Before The Wall Of Petersburg -- I Never Seen A Crazier Set Of Fellows. Jeffry D. Wert. Includes Bibliographical References (p. 497-534) And Index.

Behind Enemy Lines: The Memoirs And Writings Of Brigadier General Sidney Drake Jackman - *Jackman* (1997)

Mosby's Rangers - *Jeffry D. Wert* (1990)

In 1863, John Singleton Mosby And His Band Of Irregulars, Recruited In Union-occupied Northern Virginia, Began Raiding Yankee Outposts, Wagon Trains, Troop Detachments, Headquarters And Railroad Lines. Their Most Celebrated Exploit: Capturing A Union General Behind Enemy Lines Without Firing A Shot. After Each Sortie, The Confederate Guerrillas Would Hide In Safe Houses Provided By The Citizens Of Two Northern Virginia Counties. Mosby Was Captured Once (and Exchanged) And Wounded Several Times, But Continued To Plan And Personally Lead Guerrilla Raids Throughout The Final Two Years Of The War. Wert (From Winchester To Cedar Creek) Has Written The First Comprehensive Study Of Mosby's Rangers And Offers New Material About Its Organization, Membership And Tactics, Plus Biographical Information About Mosby Himself. He Reveals That The Partisan Band Rarely Exceeded 200, That A Large Percentage Of Them Were Teenagers, That The Civilians Who Sheltered Them Paid A High Price In Yankee Retribution The Man And The Mission -- A Wily Foe -- From Miskel's To Grapewood -- Mosby's Rangers -- Wagon Hunting -- Autumn 1863 -- Life In Mosby's Confederacy -- Blood On The Snow -- The Cost Of War -- Springtime Of Change -- Into The Valley -- Bloody September -- War On Railroads -- Reprisal -- Days Of Flames, Days Of Darkness -- Toward Salem. Jeffry D. Wert. Includes Bibliographical References (p. 357-369) And Index.

The Civil War: A Narrative - *Foote, Shelby*. (1958)

Foote's Comprehensive History Of The Civil War Includes Three Compelling Volumes: Fort Sumter To Perryville, Fredericksburg To Meridian, And Red River To Appomattox. Here, For A Certainty, Is One Of The Great Historical Narratives Of Our Century, A Unique And Brilliant Achievement, One That Must Be Firmly Placed In The Ranks Of The Masters. Anyone Who Wants To Relive The Civil War Will Go Through This Volume With Pleasure. Years From Now, Foote's Monumental Narrative Most Likely Will Continue To Be Read And Remembered As A Classic Of Its Kind. 1. Fort Sumter To Perryville.--2. Fredericksburg To Meridian.--[3] Red River To Appomattox. 1st Ed. 1974. Bibliography: V. 3, P. [1063]-1065.

The Southern Nation: The New Rise Of The Old South - R. Gordon Thornton (2000)

"At last, someone has come up with a plan! The ruling elite of both political parties will not like it, but Southerners must heed Thornton's words before the window of opportunity closes."#151;Michael Andrew Grissom, author, *Southern by the Grace of God* "May intrigue both Lost Cause proponents and those with a scholarly interest in southern nationalism."#151;Civil War Book Review The American South as a captive nation? Yes, just like Poland and the other former Soviet satellites. The South with a "right" to nationhood, separate from the rest of the United States? Yes, with just as much right to break away and determine its own destiny as the thirteen original colonies had to exist separately from England. The faint of heart will object to this idea. Today's politically correct, indoctrinated citizen will say that the War Between the States settled all of this more than one hundred years ago, but is the Southern Nation "really" dead?No! Blending both historical and contemporary social observations with stubborn activism, "The Southern Nation#58; The New Rise of the Old South" is the definitive primer on Southern nationalism#151;the political drive to preserve the social, religious, political, and cultural traditions of the Southern people. Southern nationhood is practical, as well as possible! This important new book explores how to reclaim the Southern birthright by developing Southern nationalism in the community and the four principles that Southerners must realize and embrace *before* they can fulfill their destiny as an independent people.Rob Thornton grew up on a farm in Hermitage, Arkansas#151;land tilled by his family since 1850. Thegreat-grandson of a Confederate soldier, Thornton was one of the founders of the Col. Van Manning Camp #1654, Sons of Confederate Veterans, and he remains passionate about all things Southern.

Yankee Empire: Aggressive Abroad And Despotic At Home - James Ronald Kennedy (2018)

Reconstruction - Foner (1989)

Chronicles How Americans Responded To The Changes Unleashed By The Civil War And The End Of Slavery. The World The War Made -- Rehearsals For Reconstruction -- The Meaning Of Freedom -- Ambiguities Of Free Labor -- The Failure Of Presidential Reconstruction -- The Making Of Radical Reconstruction -- Blueprints For A Republican South -- Reconstruction: Political And Economic -- The Challenge Of Enforcement -- The Reconstruction Of The North -- The Politics Of Depression -- Redemption And After. Eric Foner. Includes Index. Bibliography: P. 615-641.

Scandals of the Civil War - Douglas Gibboney (2005)

Scandals of the Civil War provides a rollicking, behind-the-scenes glimpse of the bad behavior, off-duty antics and sexual shenanigans of soldiers North and south. Here are intriguing stories of the deadly duels, heavy-duty drinking, assorted adulteries, and outrageous escapades that fueled the wartime gossips. These titillating tales put a human face on the men and women of the 1860s. It's an enjoyable volume that will amuse and entertain both the history buff and general reader alike.

Confederates In The Attic: Dispatches From The Unfinished Civil War - *Tony Horwitz* (1999)

National Bestseller When prize-winning war correspondent Tony Horwitz leaves the battlefields of Bosnia and the Middle East for a peaceful corner of the Blue Ridge Mountains, he thinks he's put war zones behind him. But awakened one morning by the crackle of musket fire, Horwitz starts filing front-line dispatches again this time from a war close to home, and to his own heart. Propelled by his boyhood passion for the Civil War, Horwitz embarks on a search for places and people still held in thrall by America's greatest conflict. The result is an adventure into the soul of the unvanquished South, where the ghosts of the Lost Cause are resurrected through ritual and remembrance. In Virginia, Horwitz joins a band of 'hardcore' reenactors who crash-diet to achieve the hollow-eyed look of starved Confederates; in Kentucky, he witnesses Klan rallies and calls for race war sparked by the killing of a white man who brandishes a rebel flag; at Andersonville, he finds that the prison's commander, executed as a war criminal, is now exalted as a martyr and hero; and in the book's climax, Horwitz takes a marathon trek from Antietam to Gettysburg to Appomattox in the company of Robert Lee Hodge, an eccentric pilgrim who dubs their odyssey the 'Civil Wargasm.' Written with Horwitz's signature blend of humor, history, and hard-nosed journalism, *Confederates in the Attic* brings alive old battlefields and new ones 'classrooms, courts, country bars' where the past and the present collide, often in explosive ways. Poignant and picaresque, haunting and hilarious, it speaks to anyone who has ever felt drawn to the mythic South and to the dark romance of the Civil War. *USA Today* In this sparkling book, Tony Horwitz freshens our culture of remembrance with humor and a sharpshooter's eye, exploding myths with the irreverence of a small boy hurling snowballs at a beaver hat.

The Secret Service Of The Confederate States In Europe: Or, How The Confederate Cruisers Were Equipped (modern Library War) - *James D. Bulloch* (2001)

At the outbreak of the Civil War, Jefferson Davis sent merchant marine James D. Bulloch to Europe to clandestinely acquire arms and ships for the Confederate navy. His first stop was Britain, a country hedging its bets on who would win the War Between the States and willing to secretly provide the Confederacy with the naval technology to fight the Union on the high seas. Bulloch's mission continued for the length of the war, and his story, told by the man himself, is one of the least-understood aspects of the Civil War, even today. Publishers Weekly The reissue of this classic Civil War memoir (first published in 1884) is welcome for its own sake, and for the light it sheds on a still-unfamiliar aspect of the conflict. Northern prosperity was widely regarded as heavily dependent on its merchant marine. The development of steam power gave Southern "commerce raiders" both strategic and tactical opportunities unknown in earlier eras; raiders could strike as they pleased, wreak havoc among sail-powered merchantmen and disappear before the Yankees could hope to react. A few ships, properly equipped, could have an impact far out of proportion to their numbers. Lacking the infrastructure to build them, the Confederacy turned to Europe. That brought James Bulloch to center stage. A man of wide experience in maritime affairs and a committed Southern patriot, he was given a free

hand in 1861 to purchase and equip ships for the Confederate navy in Europe. Much of his effort involved working in shadows, cast in particular by a British government committed in public to neutrality, but harboring sympathy for the South. Representing a government with little in the way of credibility, Bulloch performed a solo high-wire act that still stands as a masterpiece of improvisational diplomacy. His virtuosity brought limited results. Negotiations evaporated. Deliveries were delayed. Only three of Bulloch's 19 ships had really successful careers. The rest achieved little 10 were never even delivered. Yet by March 1864, Union shipping had been virtually driven from the world's oceans. The rebel cruisers had done so much damage that a postwar international court ordered Britain to pay \$15.5 million as compensation for its role in the Confederacy's commercial war. As an economy-of-force operation, it remains without parallel. And it comes to life again in Bulloch's dramatic narrative. (June) Copyright 2001 Cahners Business Information.

Detailed Minutiae Of Soldier Life In The Army Of Northern Virginia, 1861-1865 - Carlton Mccarthy (1993)

Reports On A Soldier's Life In The Army Of The Confederacy, By Carlton Mccarthy, Later Mayor Of Richmond. By Carlton Mccarthy ; With Illustrations By Wm. L. Sheppard ; Introduction To The Bison Book Edition By Brian S Wills. Originally Published: Richmond : C. Mccarthy, 1882.

The Rise Of The Confederate Government (the Barnes And Noble Library Of Essential Reading) - Jefferson Davis (with An Introduction By (2010)

in This Account Of The Life And Death Of An Idea And Social System, **Jefferson Davis** Addresses The Underlying Principles Of The Confederate Experiment And The Resultant Calamity Of The Civil War. He Discusses The Background Issues Of The Conflict;the Political Ideas And Events Leading To The Secession Of The Eleven Southern States. He Defends The South's Right To Secede, Calling The Act 'constitutional'; And The Actions Of The Federal Government 'unconstitutional.' Davis Further Claims The War Had Nothing To Do With America's 'tame'; Version Of Slavery. Though Historians Have Discredited Most Of Davis's Arguments, His Book Has Become Key To Understanding The Enduring Notion Of 'the Lost Cause,' The View That A Noble Southern Way Of Life Was Sacrificed, That The South Was Overmatched By A Wealthier And More Powerful;but Not Morally Superior;north.

Confederate Operations In Canada And New York (collector's Library Of The Civil War) - John W Headley (1906)

There Is Little Consolation In Relating The Particulars Of The Hostile Operations Along The Northern Borders Of The United States, By Confederate Solders From Canada, Who Were Assigned To This Service By The Authorities Of The Confederate States In 1864. And Yet The Authentic Narrative Of This Desperate Warfare Which Recalls And Includes The Cruel Phases Of The Deplorable Conflict May Be Due To The Survivors And The Dead Of The North And The South Who Were Military Foes, And May Serve As A Lesson And A Guide To The Present And Future Generations Of Our Reunited Country In Determining The Price Of Peace And The Pretexts For War.--introduction. By John W. Headley. Reprint. Originally Published: New York : Neale Pub. Co., 1906.

The United States Constitution And Other American Documents - (2009)

America won its freedoms through revolution, but that was not enough to ensure them for posterity. Our founding fathers recognized the importance of articulating those freedoms in words that could be put in print to guide the policies of the fledgling nation and speak to generations of Americans to come. *The United States Constitution and Other American Documents* collects five essential documents that form the foundation of our

democracy and express the spirit of America. This volume includes the full text of the Constitution and its Amendments as well the Declaration of Independence and the Articles of Confederation. Included as well is the full text of *Common Sense*, Thomas Paine's incendiary pamphlet that advocated independence as the only remedy to hostilities between the American colonies and the British monarchy. The five immortal documents gathered in this beautifully designed volume are timeless embodiments of America's democratic ideals.

Confederate And Union Buttons Of The Gulf Coast 1861 1865 (museum Publication) - Dan Jenkins (1983)

Jefferson Davis, American - Jr. William J. Cooper (2001)

From a distinguished historian of the American South comes this thoroughly human portrait of the complex man at the center of our nation's most epic struggle. Jefferson Davis initially did not wish to leave the Union-as the son of a veteran of the American Revolution and as a soldier and senator, he considered himself a patriot. William J. Cooper shows us how Davis' initial reluctance turned into absolute commitment to the Confederacy. He provides a thorough account of Davis' life, both as the Confederate President and in the years before and after the war. Elegantly written and impeccably researched, **Jefferson Davis, American** is the definitive examination of one of the most enigmatic figures in our nation's history. Publishers Weekly Much has been written about Jefferson Davis, claims Cooper (The American South, etc.), professor of history at Louisiana State University, and most of it is negative. Instead of viewing Davis strictly through a modern lens, Cooper has set out to understand Davis as "a man of his time who had a significant impact on his time, and thus on history" and to "not condemn him for not being a man of my time." Davis was born in Kentucky in 1808 and attended Transylvania University in Lexington. In 1824, he left the South for West Point, graduated in 1828 with a commission as Brevet Second Lieutenant and went on to a noteworthy career as a hero of the Mexican War and an able statesman. Davis served as secretary of war under President Pierce and then as a U.S. senator from Mississippi. Indeed, Cooper notes, many thought Davis would be president one day. Always believing himself a firm supporter of the Constitution and a true patriot, Davis trusted in the sovereign rights of states ("he looked to Thomas Jefferson, James Madison, and John C. Calhoun as the great explicators of states' rights and strict construction, of the proper understanding of the nation and the Constitution"), which included the right to own slaves if a state so chose. Although Davis did not initially favor secession, he believed the Confederacy's goals to be consistent with the America he honored, and was proud to serve as the president of the Confederacy. Previous accounts of Davis's life have argued that he was basically an incompetent leader; some even have suggested that the failure of the Confederacy was, at the core, Davis's fault. But here Davis appears much like any other leader, possessing both strengths and weaknesses. In the already cluttered field of Civil War history, Cooper's is the definitive biography; readers will be particularly pleased to discover the compelling power of his narrative. (Nov.) The Bloody Ground (Nathaniel Starbuck Chronicles #4) - Bernard Cornwell (2001)

In this fourth, final, and rousing installment of Nathaniel Starbuck's Civil War adventures, Nate is given command of a punishment battalion; a motley collection of cowards, thieves, deserters, and murderers. Setting off to Join General Robert E. Lee's army, Starbuck's men reach Harper's Ferry in time to take part in Stonewall Jackson's capture of the Union garrison. From there, the regiment moves on to the legendary horror of Sharpsburg, beside the Antietam Creek, forever to be remembered as the bloodiest single day of the war. There, Starbuck and his troop will have their courage and commitment tested as never before. BooknewsThe present volume is the fourth in Corwell's historical fiction series, The Starbuck Chronicles. Set against the background of one of the Civil War's bloodiest battles, the novel describes the adventures of hero and military commander Nate Starbuck. Annotation c. Our Man In Charleston: Britain's Secret Agent In The Civil War South - Christopher Dickey (2015)

Between The Confederacy And Recognition By Great Britain Stood One Unlikely Englishman Who Hated The Slave Trade. His Actions Helped Determine The Fate Of A Nation. When Robert Bunch Arrived In Charleston To Take Up The Post Of British Consul In 1853, He Was Young And Full Of Ambition, But Even He Couldn't Have Imagined The Incredible Role He Would Play In The History-making Events To Unfold. In An Age When Diplomats Often Were Spies, Bunch's Job Included Sending Intelligence Back To The British Government In London. Yet As The United States Threatened To Erupt Into Civil War, Bunch Found Himself Plunged Into A Double Life, Settling Into An Amiable Routine With His Slavery-loving Neighbors On The One Hand, While Working Furiously To Thwart Their Plans To Achieve A New Confederacy. As Secession And War Approached, The Southern States Found Themselves In An Impossible Position. ^ They Knew That Recognition From Great Britain Would Be Essential To The Survival Of The Confederacy, And Also That Such Recognition Was Likely To Be Withheld If The South Reopened The Atlantic Slave Trade. But As Bunch Meticulously Noted From His Perch In Charleston, Secession's Red-hot Epicenter, That Trade Was Growing. And As Southern Leaders Continued To Dissemble Publicly About Their Intentions, Bunch Sent Dispatch After Secret Dispatch Back To The Foreign Office Warning Of The Truth--that Economic Survival Would Force The South To Import Slaves From Africa In Massive Numbers. ^ When The Gears Of War Finally Began To Turn, And Bunch Was Pressed Into Service On An Actual Spy Mission To Make Contact With The Confederate Government, He Found Himself In The Middle Of A Fight Between The Union And Britain That Threatened, In The Boast Of Secretary Of State William Seward, To 'wrap The World In Flames.' In This Masterfully Told Story, Christopher Dickey Introduces Consul Bunch As A Key Figure In The Pitched Battle Between Those Who Wished To Reopen The Floodgates Of Bondage And Misery, And Those Who Wished To Dam The Tide Forever. Featuring A Remarkable Cast Of Diplomats, Journalists, Senators, And Spies, Our Man In Charleston Captures The Intricate, Intense Relationship Between Great Powers On The Brink Of War-- The Little-known Story Of A British Diplomat Who Serves As A Spy In South Carolina At The Dawn Of The Civil War, Posing As A Friend To Slave-owning Aristocrats When He Was Actually Telling Britain Not To Support The Confederacy-- An Englishman Of The Americas -- Observations On The Price Of Negroes -- Quasi-war -- First Shots -- Wicked Designs -- The Reign Of Error. Christopher Dickey. Includes Bibliographical References (pages 330-338) And Index.

Subtitled A Confederate Primer, This Little Book Covers A Wide Range Of Subjects In Short, Succinct Chapters On The True Causes Of The War, The Historical And Economic Background Behind Southern Slavery, The Usurpations And Deceptions Of Abraham Lincoln, State Sovereignty And The Right Of Secession, The Sterling Character Of Such Confederate Leaders As Robert E. Lee And Jefferson Davis, And Much More.

Behind The Lines In The Southern Confederacy - Ramsdel, Charles W. (charles William) (1997)

in This Study, Charles W. Ramsdell Explores The Causes Of The South's Defeat In The Civil War. Finding Traditional Military Explanations Insufficient, He Argues That Deficiencies On The Homefront Were Fundamental To The Collapse Of The Confederacy. According To Ramsdell, The War Raised Economic And Social Problems That The Southern People Were Unprepared To Solve. Financially Weakened And Demoralized, The Civilian Population Could Not Adequately Support Its Armies, Causing The Confederacy To Break Down From Within Long Before The Military Situation Appeared Desperate.

Atlanta And The War - *Garrison, Webb , 1919-2000 (1995)*

The Destruction Of Atlanta During The Civil War Was Not The Result Of A Grand Strategy Hammered Out By William Tecumseh Sherman And Ulysses S. Grant In The Spring Of 1864. According To Webb Garrison, The Havoc Wreaked On The City Was Brought About By Sherman's Dogged Pursuit Of The Army Of Tennessee Across Northern Georgia. The Confederate Army Of Tennessee Was Tenacious, And Thus The Union Victory Came Slowly. The Fall Of Atlanta Was Crucial To The Outcome Of The Civil War Because With The Loss Of Atlanta, Morale In The South Plummeted, One Of The Confederacy's Last Significant Manufacturing Centers Was Destroyed, And The Flow Of Food And Supplies To The Virginia Battlefield Was Halted. Moreover, The Publicity Surrounding The Taking Of Atlanta Played A Large Role In Abraham Lincoln's Reelection Campaign, Thus Ensuring That The War Would Continue Until The Union Was Restored. - Jacket. The Lost Cause (the Standard Southern History Of The War Of The Confederates) - *E. A. Pollard* (1994)

Battle Cry Of Freedom: The Civil War Era - *James M. McPherson* (1988)

Filled with fresh interpretations and information, puncturing old myths and challenging new ones, **Battle Cry of Freedom** will unquestionably become the standard one-volume history of the Civil War.

James McPherson's fast-paced narrative fully integrates the political, social, and military events that crowded the two decades from the outbreak of one war in Mexico to the ending of another at Appomattox. Packed with drama and analytical insight, the book vividly recounts the momentous episodes that preceded the Civil War; the Dred Scott decision, the Lincoln-Douglas debates, John Brown's raid on Harper's Ferry; and then moves into a masterful chronicle of the war itself; the battles, the strategic maneuvering on both sides, the politics, and the personalities. Particularly notable are McPherson's new views on such matters as the slavery expansion issue in the 1850s, the origins of the Republican Party, the causes of secession, internal dissent and anti-war opposition in the North and the South, and the reasons for the Union's victory.

The book's title refers to the sentiments that informed both the Northern and Southern views of the conflict; the South seceded in the name of that freedom of self-determination and self-government for which their fathers had fought in 1776, while the North stood fast in defense of the Union founded by those fathers as the bulwark of American liberty. Eventually, the North had to grapple with the underlying cause of the war; slavery; and adopt a policy of emancipation as a second war aim. This "new birth of freedom," as Lincoln called it, constitutes the proudest legacy of America's bloodiest conflict.

This authoritative volume makes sense of that vast and confusing "second American Revolution" we call the Civil War, a war that transformed a nation and expanded our heritage of liberty. Publishers Weekly Likely to become the standard one-volume history of our Civil War, this vivifies, with palpable immediacy, scholarly acumen and interpretive skill, events foreshadowing the conflict, the war itself and its basic issue: slavery.
